Dhamma Paphulla, meaning 'Cheerfulness of Dhamma', is about 30 km from the major city of Bangalore on a 10-acre land. Located in a very tranquil area, with farmland on one side and forestland on another side, the Centre is on a gently sloping piece of land in rustic surroundings, enjoys moderate climate year round and is easily accessible by city buses.

The land has been acquired recently, through donation and purchase. In the first phase, accommodation will be for 60 students (40 males, 20 females) and is expected to be ready by end of 2006. One-day courses for old students are being held every Sunday on the site.
