CIRCULAR

'Self Organization' is an essential pre-requisite to be an effective executive, it can be attained very effectively through the process of self realization.

It has been found those who had an urge for self development and made efforts in this direction have been benefitted tremendously with the programmes like "Vipassana".

Enclosed is the literature on "Vipassana" for those who are willing for their Self Development. In fact, Vipassana requires followup efforts after learning the technique through 12 days programme.

Those willing to attend the "Vipassana" programme near to their work centres should write their sectional heads to:
